"Our Wealth Transfer Specialist worked well with us and coordinated the whole process. I would recommend him very highly in getting the family succession and estate planning done and helping to understand current and potential family issues."

— J.D., California Business Owner

According to a Gallup Poll:

- Within 10 years, succession will occur in over 50% of family businesses
Only 30% survive beyond the first generation
Only 15% survive beyond the second generation
- Most family businesses fail to plan for the transfer of the family's wealth
57% have done no estate planning
72% have no buy/sell agreement

FBR System offers proven wealth transfer strategies:

- Proven holistic approach to wealth transfer planning
- Objective planning advice encouraging open family communication
- Tools that protect your family, business and estate
- Ideas that maximize business profitability, enhance family harmony & minimize the IRS role
